

Look outside first  
and satiate your eyes with all the blessings  
that nature offers us,  
then rest your gaze on the table.

Our dishes are made with 0 km organic raw  
materials, freshly harvested from our garden  
and with ingredients  
of our territory selected,  
processed and served with  
simplicity and modesty.

A concept wanted by the patron of I Carusi  
Simona Privitera, who dreamed it,  
desired and achieved.

In the menu, created by Chef Maurizio Urso,  
the close union between health, tradition and  
territory is strengthened.  
A tête-à-tête with Sicilian nature both in the  
frame of I Carusi, than in the courses offered.
